### DESCRIPTION OF REQUESTED RECORD(S): (Describe the specific public record(s) e.g., date, type, time period covering documents requested etc)

*Hello, my name is Tanya Samoff. I am currently a Master's of Public Administration Candidate at California State University, Dominguez Hills. My professor is Dr. Fynwynn Prager. I am requesting the total number of police calls for service on July 4, 2017 at 0000 hours until July 5, 2017 at 0600 hours. I would also like the total number of police calls for service on June 6, 2017 at 0000 hours until June 7, 2017 at 0600 hours as a comparison. Further, I would like the number of fireworks related calls for service (police and fire, if fire responses are available). I am attempting to compare calls for service between cities that allow safe and sane fireworks in their city and those that do not. Thank you in advance for your assistance.*

I understand that I will be contacted once documents have been identified. If production of records is requested, an estimated cost will be provided to me and I agree that I will be required to submit payment for duplication costs (and mailing) prior to the production of the requested documents.

I wish to inspect City records
